

uncle George's Lost Tiki Cocktail Recipe

Manifest of Contents

This package can be played by multiple sequential households. It contains enough of each ingredient to make 12 cocktails total. The following is a list of all the contents so that it can be checked for completeness before being sent on to the next household.

* There is a video showing the reassembly here: K8Baldwin.com/Tiki/Reassembly
Careful reassembly is only necessary if it's going directly to the next player. If it's going back to Kate, she can take care of the careful reassembly.

- * Kraft brown button-and-string envelope tucked under the "Tiki Bar" wooden sign
Letter from the employees and owners of the Greatest Tiki Bar in the Midwest
Key to the brass fish lock with a wooden tag reading, "Fin + Eye"
- * Basket hamper with wooden "Tiki Bar" sign on the top and locked with brass fish padlock (The key is in the button-and-string envelope)

Fish Padlock

The key is in the button-and-string envelope, and it should be inserted under the swiveling pectoral fin of the fish. Then, the key needs to be turned while simultaneously pressing the eye button of the fish on the other side. Re-locking is the same process (button must be pressed).
